Pot Luck Picnic – Sunday, July 24th

We will be hosting our annual Owls Head Community Pot Luck Picnic on Sunday July 24th, from Noon to 3pm at the Old Homestead at 453 Ash Point Dr. in Owls Head. As always this event is free although donations will be gratefully accepted.

This is an old-fashioned community picnic with children's & adult's games, live music from the Maine Highland Fiddlers, craft demonstrations & great conversations with old and new friends.

This year will feature bean-hole beans made by Maynard Stanley. These beans are cooked the old fashioned way popular at picnics years ago, in a hole in the ground. The MRHS will also provide hot dogs, drinks and ice cream cranked at the picnic.

Since it is a potluck, everyone attending is asked to bring a salad, casserole, side dish, appetizer or dessert to share. If you have the recipe for what you bring and a story that goes with it, we would love to have you bring it so we can include it in our cookbook.

Hope to see you there.
